### Product Description

## Troy-Bilt Mustang DD 208cc 18" Rear Tine Tiller

The Troy-Bilt Mustang™ dual-direction rear-tine tiller is designed to let you choose which tine direction to use based on soil conditions or garden size. Counter-rotating tines help dig into hard soil while forward-rotating tines till through softer ground and established beds quickly. An 18-inch tilling width gives a wide reach.

- 18" tilling width makes the Mustang™ DD ideal for medium-to-large-size gardens.
  - Power reverse and 16" ag tires are designed to for flexible handling around rocks and other obstacles.
  - Powered by a 208cc OHV Troy-Bilt engine with 1 forward speed to help create finely milled, well-aerated soil.
  - 13" steel tines turn soil up to 7.5" deep with depth stake assistance.
-
