Product Description

Troy-Bilt CSV060 Chipper Shredder Vacuum

The Troy-Bilt® CSV060 chipper shredder vacuum combines the benefits of a chipper shredder with the convenience of a yard vacuum into one machine. Remove leaves and small debris quickly from the yard with the 24 in. vacuum capability and clean under shrubs or in tight spots with the 7 ft. onboard hose. 11" rear wheels help reduce pushing effort over rough terrain and inclines. An attached 2-bushel bag collects the shredded yard waste for easy disposal or use in landscape beds or compost piles.

- Turn 8 bags of yard debris into 1 with 8:1 reduction ratio
 - 24" vacuum width quickly removes leaves in the yard while the 7' on-board hose gets into tight spot and under shrubs
 - Dedicated chipper chute accepts branches up to 1.5" in diameter
 - 11" rear wheels for easy operation over rough spots and on inclines
