Product Description

Troy-Bilt CSV070 Self-Propelled Chipper Shredder Vacuum

The self-propelled Troy-Bilt® CSV070 chipper shredder vacuum combines the benefits of a chipper shredder with the convenience of a yard vacuum into one machine. An additional 3' extension for the onboard hose extends the reach to 10' to clean under shrubs or in tight spots. Remove leaves and small debris quickly from the yard with the 24" vacuum capability. An attached, 2-bushel bag collects the shredded yard waste for easy disposal or use in landscape beds or compost piles.

- Easy maneuverability with self-propelled drive system, featuring high and low speed options
 - Turn 8 bags of yard debris into 1 with 8:1 reduction ratio
 - 24" vacuum width quickly removes leaves in the yard while the 7' on-board hose gets into tight spot and under shrubs
 - 3' hose extension included to extend total reach to 10'
 - Dedicated chipper chute accepts branches up to 1.5" in diameter
