Product Description

Toro 21" Power Clear e21 60V* Snow Blower with (2) 6.0Ah Batteries and Charger

Spend more time with your feet by the fire and have fewer frozen toes thanks to Toro's 21 in. Power Clear® 60V Max* (2X 6.0ah) Battery Snow Blower. This model features two L324 batteries for 50% more clearing capacity, keeping the snow flowing and getting you inside as soon as possible. It's ready when you are, as it starts the first time, every time. Powerful enough to handle even the heaviest, wettest snow, including compacted areas such as end of driveways. The blower is ideal for concrete and asphalt surfaces and can clear up to an 18-parked-car driveway on a full charge, with 2 - 9 in. of snow at a time. Also enjoy performance year-round with more products in the Flex-Force battery line, from blowers and string trimmers to mowers and more. Choose Toro with confidence to save time, eliminate hassles and have a cleared driveway. And you know you can choose a Toro with confidence, as they stands behind this product with a full warranty, not just limited coverage. Count on it .

Fold-down handle and chute make storage or transport simple. Storage dimensions: 27.1 in. x 22.4 x 25.4 (68.8 cm x 56.9 cm x 64.5 cm). Backed by Toro's Two-Year Full Snow Blower Warranty and Three-Year Full Battery Warranty.

- Extra Power. Two L324 batteries will give you even more clearing power. A 60 Volt MAX (6.0 Amp-Hours, L324 Watt-Hours) is compatible with all 60V Flex-Force Power System™ tools.
- Throw heavy, wet snow up to 30-ft
- The Right Fit For You - Ideal for clearing a driveway that can hold 2-18 cars on a single, full charge with an extra battery in 2 - 9" of snow at a time.
- Enjoy more power, longer runtime and longer life from a Brushless DC Motor
- Quick-Turn Chute with Glove Ready Grip - Aim exactly where you want to throw snow, from behind the machine, with the quick-turn chute lever and comfort glove grip.
- The locking deflector lets you aim exactly where you want to throw snow from the chute
- Reliable starting and low maintenance with battery power. Flex-Force 60V* batteries have intelligent software to maximize run time and power

- Use any 60V Max* Flex-Force battery to power any and all of the 75+ tools in the all-season lineup
 - Download the MyToro app from your mobile device's app store for easy access to product resources, including manuals, how-to's, and more
-
