Product Description

DR Power Equipment PRO XL800 Powerwagon PW27080DEN

The PRO XL Powerwagon is fully loaded for the ultimate ease in self-propelled hauling and dumping. Features Powered Dumping that lets you unload up to 800 lbs of cargo with the push of a button. Includes a Flatbed Kit that lets you haul long or stackable loads with ease.

The PRO XL model is fully loaded to offer the ultimate ease of use and performance. It's a "go anywhere" powered hauler that you can use in all sorts of areas where you could never take a trailer. It turns on a dime so you can navigate nimbly in highly landscaped areas of your property, and it's built for traversing rugged terrain. The Powerwagon offers all the convenience of a wheelbarrow or garden cart—but with far more capacity and none of the hassle or backache!
