Product Description

2020 438.3 HOURS

- Powerful 23 HP 725 cc KOHLER 7000 V-Twin engine offers professional-grade features, durable components and consistent-cut technology for consistent power and a cleaner cut
 - Commercial grade 10-gauge welded deck design that's 5-1/2-in deep with a reinforced leading edge provides the airflow needed to tackle tough mowing conditions
 - 52-In triple blade cutting deck mows more grass in fewer passes and less cutting time
 - Easy and intuitive foot-operated deck lift system provide effortless adjustments between 15 cutting positions in 1/4-in increments with a simple vertical pin selection
 - Self-adjusting belt tension technology keeps deck belt tension constant, which maximizes belt life, minimizes wear and maintains a consistent, quality cut with minimal adjustments necessary
 - Maintenance-free aluminum spindles reduce bearing temperature for cooler operation
 - Hydro-gear ZT-3100 commercial grade Transaxles are designed for increased torque and load capacity with less vibration and smooth control
-
