Product Description

The OxCart Landscaper Lift-Assist and Swivel Dump Cart is designed to make hauling and unloading large loads up to 90% easier than standard carts. Not to mention, it reduces physical strain, allowing you to get more done in half the time and with much less effort so you can focus on the fun and not the work. The OxCart combines a rear offset dump pivot point for greater control with a patented hydraulic-assisted tub lift for easier heavy-load handling. The lift-assisted 110° swivel feature reduces backing, allowing you to control dumping wherever you want. Commercial-grade durability with an all-square-tube construction, 2 in. NASCAR mandrel bent axle support and tractor-grade run-flat tires make this the first cart you can load to the maximum allowing you to move twice as much in half the time without straining your back. Designed for use around the home and hunting camp, it is ideal for building a patio or a deck or a fence or a garden, planting trees, hauling gravel, land materials, toting tree stands, hunting gear, filling feeders and maintaining food plots, cleaning barns and moving firewood. OxCart is unmatched thanks to the conversion kit accessory sold separately that turns OxCart into a farm cart/wheelbarrow in seconds for use in yard and land maintenance, livestock care and hunting prep.

Product Summary

- Lift less - save your back - exclusive hydraulic lift-assist delivers 100 lbs. upward force - makes handling of gravel, soil, sand, pavers easier to swivel and dump safely with less fatigue to finish sooner
- Rugged 12 cubic foot tub swivels, lift-assisted, 110 degrees for less backing
- Move heavy loads - load-tested to 750 lbs
- Powder-coat all-square-steel-tube construction - 2 inch NASCAR mandrel bent axle support for max strength
- Run-flat tractor-grade pneumatic tires with grease points to extend tire life - checkout the nail test video
- Some parts pre-assembled, assembles in 15-minutes to 20-minutes
- Versatile - accessory kit (sold separately, available 2023) converts OxCart into a farm-grade

wheelbarrow (model # GTMS0202)

- Quality innovative products for sustainable lifestyles that are built to last and reduce landfill waste
