Product Description

Convert your front-end loader to a forklift! Give your tractor's front-end loader a whole new level of utility by adding Clamp-On Forks. For clearing timber, moving logs, and working on construction sites, Clamp-On Forks are a must-have. With an 1500-lb. lifting capacity, they're up to even your toughest tasks. Easy to install and remove, the Clamp-On Forks will not damage your tractor's bucket or require any alterations. Each fork is enamel coated for a long-lasting pristine finish.
