Product Description

The Tarter 200 Series Rotary Tiller is a handy implement that cultivates the land: stirring up soil for gardens, laying sod, and other tillage needs. Choose from four depth levels to mix up the soil or break up the toughest ground. The Tiller's self-sharpening tines are wide and made of high-quality steel to mix the soil better. The 200 Series Rotary Tiller is available in 5-foot and 6-foot models.
