Product Description

The DR® 15 cu. ft. Swivel Dump Cart features an innovative multi-hitch that allows you to easily connect to your tractor, ATV, or UTV and change from a pin to ball hitch in seconds without the use of additional tools. The rotating hitch and pass-through undercarriage with 12" of ground clearance makes navigating over uneven ground easy. The foot pedal activated swivel dump feature allows you to quickly unload up to 1,250 lbs. of material anywhere within a 100° radius. The 15 cu. ft. impact resistant structural foam body features recessed bolts and molded-in slots to add side walls for increased versatility.
