Product Description

Ariens Deluxe 30 Sno-Thro Snow Blower - 921071

The Deluxe Series is consistently one of our best sellers because it has a history of knocking winter down a few notches. They're easy to maneuver and control with their standard Auto-Turn™ steering and huge 14" serrated all-steel auger. A high 21" housing height devours the snow before throwing it up to 50 feet at a rate of 62-72 tons per hour. Various engines and machine widths make it easy to find the right unit for your property. Behind a Deluxe, you're walking in the tire tracks of greatness.

- 301cc engine offers the power and performance to take on the toughest winters and starts easily with the push of a button
 - The 30-in clearing width is perfect for heavy, wet snow on large areas
 - 14-In steel auger allows you to move fast and efficiently through snow, and skid shoes make it easy to use on unpaved surfaces
-
