Product Description

TYM 3515 Series 3, Compact Tractor

Crafted with optimal dimensions and excellent specifications, the 3515 tractor partners with you for jobs of all sizes. It's compact enough for the versatility you need, yet powerful enough to handle tougher jobs on and off the field.

This compact tractor has enhanced lift capacities, maximizing work capabilities while maintaining one of the most compact frames. Functional design and precision engineering come together to create the ultimate tractor, from the Tier 4-certified engine and third-function ready rear hitch, to the ergonomically configured operator platform.

Use this tractor to maintain a healthy lawn, build a home garden, take care of yard work with ease, or create space for a lively home farm. Front-end loader, mid-mount mower and rear hitch linkages enable you to attach a variety of attachments and do more per cycle.
