

Dr Power PRO MAX30 Lawn Mower

The Pro Max30 features a 30 **wide cutting deck and dual blade design to reduce mowing time by up to 43% compared to a typical 21** walk-behind mower. The FLEX-SPEED™ Drive System allows you to set the mower's speed to match your walking pace and the high-torque DR® engine gives you the power to handle anything your yard throws at you.

Product Description

Reclaim Your Weekend with the DR® Pro Max30 Walk-Behind Lawn Mower

The Pro Max30 Wide-Area Mower gives you the power to mow your lawn faster, easier, and better than ever before. The 30" wide deck is 8-10" wider than a typical lawn mower and mows more grass in a single pass, so you finish mowing in less time. The lightweight cast aluminum deck is easy to maneuver around trees and garden beds and is backed by a lifetime warranty.

The Pro Max30 features a dual blade design and your choice of bagged, mulching, or side discharge operation to ensure a great cut every time. The FLEX-SPEED™ Drive System lets you easily match the mower's speed to your walking pace by simply squeezing or releasing the pressure-sensitive hand lever.

Product Summary

- FLEX-SPEED™ Drive System
- Ergonomic Handlebar
- One-Touch Height Adjustment
- 3-in-1 Mower - Mulcher, Bagger, or Side Discharge
- DR® OHV Engine
- 30" Wide Dual-Blade Design
- Lifetime Warranty Deck

Features

FLEX-SPEED Drive System Match the mower speed to your walking pace by squeezing the pressure-sensitive, ergonomic hand lever. Increase pressure to pull the lever toward you and increase speed or relax your grip to slow down.

Ergonomic Handlebar Adjustable from 36" to 48" for a more comfortable mowing experience and folds up

vertically for easier storage.

One-Touch Height Adjustment Choose from 8 different cutting height settings, from 1" to 4".

3-in-1 Mower Bag, mulch, or side discharge clippings depending on your needs. Mulch plug and 2-bushel capacity bag are included.

Powerful DR® OHV Engine The powerful 6.7 gross HP engine has 10.6 ft-lbs gross torque to power through dense grass and leave behind a high-quality cut.

30" Wide Dual-Blade Design Mows 43% more in a single pass and chops grass clippings into a fine mulch to prevent clumping.

Lifetime Warranty Deck One-piece, cast aluminum deck is virtually indestructible and backed by a Lifetime Warranty.
