Product Description

Cub Cadet Bagger for 30-inch Decks

The Genuine Factory Parts™ 30" double bagger helps you efficiently collect grass clippings while mowing. Bagging lawn clippings helps to prevent thatch build-up, giving you a neater and healthier lawn. Bagging helps eliminate the need for raking. Attachments and accessories by Genuine Factory Parts are designed specifically for CRAFTSMAN®, Cub Cadet® and Troy-Bilt®. Have confidence that they are going to provide you the optimal performance and help you get the most out of your mini rider mower.

Fits Rear-Engine Riding Mowers with a 30-in Cutting Deck (2013 -)

This double bag grass collection system mounts quickly and easily to your riding mower. The vented Nylon bags provide superior strength and airflow to reduce grass from clogging.
