Product Description

Toro 28 in. (71 cm) Power Max HD 828 OAE Two-Stage Gas Snow Blower (38838)

You'll enjoy years of heavy-duty use with all-steel construction.

Features

- Built to Last: You'll enjoy years of heavy-duty use with all-steel construction.
- Self Propelled: Self Propelled. Quickly and easily cut through snow 28" wide and 21 inches deep with total speed control, 6 speeds forward and 2 speeds reverse.
- Triggerless Steering: No triggers to pull or levers to break! A simpler way to effortlessly steer. Turn the machine and the wheel intelligently disengages to assist you through the turn.
- Double the Strength: Toro doesn't use shear pins. Instead we designed a system 2x stronger that's designed to work, not break.
- Night Vision: Your visibility will never be clearer with the LED headlight.
- Power Up: Optimal performance and years of dependable use with the 252cc Toro premium 4-cycle OHV engine.
- Single Hand Chute Control: Quickly change the chute AND deflector direction with a single, smooth motion thanks to the Quick Stick® chute control.
- Stay the Course: Minimizes clogging and routes heavy snow away from chute and back into the auger with Toro's patented Anti-Clogging System.
- Compatible with the MyToro App
