### **Product Description**

#### **Toro 60V MAX\* 21 in. (53 cm) Power Clear® Self-Propel Single-Stage Snow Blower - 10.0Ah Battery Included (39921)**

Clears up to an 15-parked-car driveway on a single charge with 10.0 Ah battery (varies with usage condition).

### **Features**

- The Right Fit For You: Clears up to an 15-parked-car driveway on a single charge with 10.0 Ah battery (varies with usage condition).
- Snowdrift Strength: Busting through thick, crusty drifts feel like a snow day with all the power to break through heavy, wet snow and throw it up to 30 feet.
- Shreds Snow Fast: Power Curve® technology shreds through snow while reducing clogging with the curved paddles and funneled housing.
- Get a Move On: Power Propel® technology keeps the paddle in constant contact with the ground, pulling you through the snow.
- Extended Life: 3-phase brushless motor with RunSmart™ technology for increased runtime and optimized performance.
- Two Battery Ports: Get additional runtime with optional second battery port.
- LED Headlights: Panoramic LED lighting for a brighter and broader view.
- All-Season Power: Use any 60V Max\* Flex-Force battery to power any and all of the 75+ interchangeable tools in the Flex-Force all-season lineup, including commercial-grade handheld tools, walk mowers, and snow blowers.
- Compatible with the MyToro App
