Product Description

STIHL RMA 348 V Battery Powered Lawn Mower

Take on any season in your small to mid sized yard with ease using the self-propelled RMA 348 V's dependable brushless motor and variable speed self propulsion.

Experience refined performance with the RMA 348 V, featuring a powerful brushless motor and a durable 19.7" steel deck built for clean, consistent cutting in small to mid-sized lawns. The variable-speed, self-propelled drive delivers smooth, effortless operation tailored to your pace and terrain. Compatible with AK 30 S batteries, it offers **up to 38 minutes of steady, dependable power**, all with impressively low-noise performance ideal for quiet neighborhoods. With its versatile 4-in-1 mowing system—including a 16-gallon grass bag, side discharge chute, and mulch plug—the RMA 348 V brings elevated convenience and adaptability to every mow.
